Dear Chair DeLauro and Ranking Member Granger:

As a part of the Appropriations Committee's Community Project Funding, I have requested funding for "Expanding Afterschool Programs in Genesee County" project in Fiscal Year 2023.

The entity to receive funding for this project is the Flint Institute of Science and History, located at 1221 E. Kearsley St., Flint, MI 48503. The funding would be used for the Flint Institute of Science and History, working with other partners in Genesee County, to expand afterschool services to students across Genesee County. These new afterschool programs will increase access to art, music, and science creating an enriching education for Genesee County children.

In compliance with House Rules and committee requirements, I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Daniel T. Kildee".
